No seconds or damaged goods. It's all new, top-quality, brand-name merchandise. And it's all *free to members!*

Why do companies give away perfectly good items? Because they often have more inventory than they can sell due to production overruns, returns, cancelled orders, discontinued models, and so on. And a special tax law gives corporations a tax cut for donating new inventory for charitable purposes.

How does it work? Every 10 weeks, you'll get a 200-page catalog packed with thousands of new items. Just look through the catalog, fill out a request form for what you want, and send it in.

Is it really FREE? Yes. All we ask is that you cover the shipping and handling costs. All the items you receive are absolutely FREE of charge.

On average, each member gets \$18,000 worth of useful merchandise every year. But you can get much more if you regularly request a wide variety of items.

This year, NAEIR will give away over \$100 million worth of FREE supplies. So you might as well become a member today and start asking for your share.

Here are the answers to common questions people ask us about being a NAEIR member...

Q: What is NAEIR?

A: NAEIR is the National Association for the Exchange of Industrial Resources. We are a nonprofit organization that collects excess goods from businesses and redistributes those goods to schools, churches, and nonprofit organizations.

Q: How much does membership cost?

A: A full year membership is just \$595, and 10-month membership is \$495. The average member gets around \$18,000 worth of free supplies a year. But some members have received \$40,000 or more.

Q: Are supplies really FREE?

A: Yes. By law, NAEIR *must* give away all donated merchandise free of charge. All you pay is shipping and handling for the items you receive.

Q: Are all the items new?

A: Yes. Everything is top-quality and brand new. No rejects. No seconds. These are the exact same items you would find in stores, all in the original packaging.

Q: How do I ask for supplies and merchandise?

A: When you get your catalog, simply list all the items you want on the request form and return it by the deadline. You can also request items from special offer fliers or the website. You can even drive to the warehouse and visit Grab Bag.

Q: Will I get everything I ask for from the catalog?

A: Not necessarily, but we use a computerized allocation system to give everyone an equal chance to get as much as possible.

Q: Is there a limit on how much my organization can request?

A: No. In fact, we suggest you share your catalog with everyone on your staff and ask for as much as possible. The more you request, the more you will get.
